

T FULL 1/2" EGGCRATE

1/2" X 1/2" X 1/2" 14 x 14 x 12,7mm

Thincell 1/2" (13mm) cube plastic louvers are accepted as the worldwide standard. Thincell provides efficiency, economy and moderately controlled luminances. These panels feature shiplap perimeter detailing to facilitate an unbroken appearance when parts are butt joined in continuous row application.
